

The Village Pumpkin Patch

From Pastor Jeff

This Fall we are looking at the practice of Prayer in the Christian Life. Over the last several weeks we have been studying the Lord's Prayer on Sunday mornings. Jesus gave us this prayer as a model of how we should pray. I want to share another model of prayer that has been around the church for a while. I don't know who developed it, but I learned it from Pastor Don Baird of Fremont Presbyterian Church in Sacramento. Here is a reprint of an article he wrote explaining the A.C.T.S. model of prayer. As he says, this is just a suggested format, but I have found it helpful.

"To keep our prayers meaningful and directed, I would suggest that we divide our prayer time using the letters of the acronym **"ACTS."** This is just a guideline and not a new requirement to follow each time you pray.

A might stand for **Adoration**. This is how Paul suggests to Timothy to begin, with **"prayers."** This word can refer specifically to requests to God alone. We need to remind ourselves to whom we are talking. We are talking to the Lord of the Universe, the Father of our Lord Jesus Christ and our personal Savior. The Lord's Prayer begins **"Our Father who art in heaven, Hallowed be thy name..."** This praises the name of God and opens us up to His Greatness.

One of the greatest benefits of Adoration is that it focuses us upon God and not ourselves. If we have a big God, then any problems we have will be little. No matter how big your problems on this earth may be, God is bigger yet. If we have a little god, then our problems will always seem overwhelming...even for God. God's Peace comes when we get our mind off ourselves and onto God.

C might stand for **Confession**. This is the second direction the Apostle gives to Timothy. **"I urge first of all that ... intercession...be made for everyone..."** Prayer is a personal interview with God. The privilege of having a sacred interview with God is great, but this is an interview on behalf of others. This opens our relationships up for review. We need to come before God clean. All of us have a dark side to our lives. The Bible says, **"All have sinned and fallen short of the glory of God."** The **"all"** includes both those who have made Jesus Christ their Lord as well as those who have yet to do so. We can afford to be open with God. Our closest relationships are always with those people who know the most about us and love us anyway. In fact, we must be honest and completely open with God if this conversation is to mean anything. So be specific about which sin you are confessing.

T might stand for Thanksgiving. Paul wrote, **"I urge first of all that ... thanksgiving...be made for everyone..."** This completes the circle, so that the blessings that come from God return to Him again in the form of expressed gratitude. This is not only the things you are grateful to God for, but also for the people God gives you to live with. Again, be specific about those things you are thankful for. Sometimes it is easy to thank God, our families, our beautiful city, our great nation, our individual talents - ideas just jump out about the things we have to be thankful for. Yet, there are other times when it is easy to forget that there is anything to be thankful for. The pain or anxiety we feel just drives all the thankfulness right out of us. When our health or vocation or families are being tested, we can be so overwhelmed with pity and sorrow, that we are blind to those things we still have to be thankful for. Consider Paul who even thanked God for the thorn in his flesh, saying, **"For when I am weak, then I am strong."** (II Cor. 12:10). So, be specific when you give thanks to God.

S might stand for **Supplication**. This is the time we go to God with all those things we helplessly feel in the need of. When the Apostle Paul wrote to Timothy he urged, **"first of all, that requests...be made..."**

## YOUTH NEWS

Hello Fall!

Why are trees very forgiving? Because in the Fall they "let it go" and in the Spring, they "turn over a new leaf".

But seriously folks, this month we will be carving out the most fun ever with Bible studies, youth groups, and outreach missions. During this time of year, the weather changes and outdoor activities move a little more indoors and we have fall covered with our youth groups.

God calls us to be strong and courageous, help the weak, and be patient as we follow Him, love your enemies and your neighbors. Something in me is drawn to the contrasts in the Bible and how God takes people and asks them to turn everything upside down to do things His way. It's a fact that "God's way" just about always means us moving outside of our comfort zones. Seeing this has affected how we do all youth activities. This is one of the big reasons we have a broad range of ages in our groups (6-12<sup>th</sup> grade). Younger youth can be like puppies with their energy, but no one needs the older dogs around more than they do. Also, the older youth are in a position to be leaders now and the young folks badly need to see what it looks like to be a teen following Jesus. I just want everyone to know mixing a broad range of ages in our youth groups is not a mistake, but a caring effort to bring the youth together as one family, in exactly the same way the church is one family.

One fantastic way to feel uncomfortable is outreach. Sundays youth travel to Reno from 12-3pm to visit senior citizens or reach out to the homeless in the Reno area. Visiting senior citizens in assisted living facilities is what the special ops outreach did in the beginning and it is exciting to be able to go back to that ministry and reach out to seniors again. Lunch is provided and we will leave by 12, so come a little early, especially if you want to have lunch.

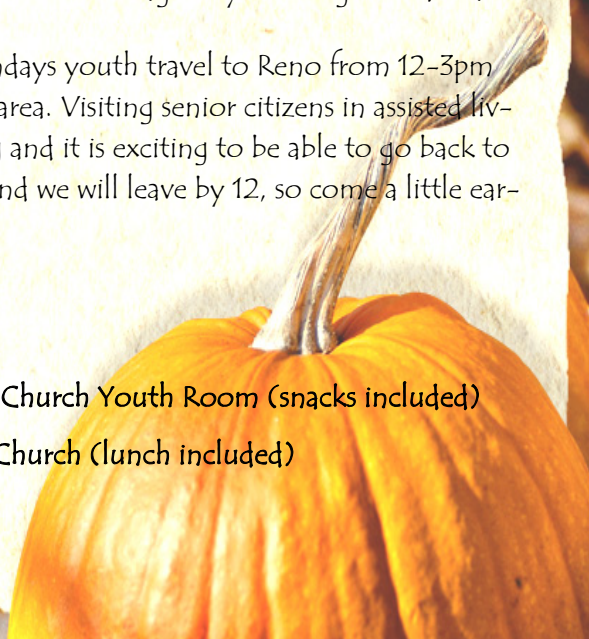

The Village Church Youth Groups:

Bible Study - info coming soon

Wednesdays - The Upper Room Youth Group, 6-8pm, meets in Church Youth Room (snacks included)

Sundays - Special Ops (Outreach Group), 12-3pm, meets at the Church (lunch included)

Pastor Tony

## CHRISTIAN EDUCATION

Sunday School for Preschool and Elementary classes have resumed using the Kids Sunday School Place curriculum. Elementary children will be *Discovering Jesus*. This five-lesson series allows them to discover who Jesus is and how they can have a relationship with Him.

In Lesson 1, *We Can Believe in Jesus*, the children will understand that truly believing in Jesus means to believe He is who He claims to be, and that He is the Lord of all. During Lesson 2, *We Can Know Jesus*, children will learn that truly knowing Jesus means to have a trusting relationship with Him. Lesson 3, *We Can Obey Jesus*, teaches that we can obey Jesus, because He gives us the Holy Spirit to help us recognize the truth. Lesson 4, *We Can Live for Jesus*, reveals that apart from Jesus, we have no life, and when we are living for Jesus we can bear much fruit. For the final lesson, 5, *We Can Love and Adore Jesus*, the kids will see how they can truly show their love for Jesus by worshipping and praising, and by loving others.

Preschool children will study the Book of Ruth through mid-October, then learn about King Solomon. The four-lesson series on the book of Ruth shows how God cares for those who put their faith in Him. It focuses on how *Ruth Follows God*, *Ruth Works for God*, *Ruth Follows Directions*, and *Ruth Finds New Life*. The children will discover that they belong to God. They discover how God shows kindness and provides for them in many ways. They will learn that working to please God is better than working only to please people! They will also learn the importance of listening and following directions given by God and parents. Jesus is our redeemer. He paid the price for our sins, so we can be part of God's family.

A four-lesson series about the life of King Solomon, known for his great wisdom, begins in November. Children will learn that our Lord gives us many talents and blessings, but we must always use them in ways that honor God. Children will learn that godly wisdom benefits others and is not self-serving. God gives His children true wisdom when they seek it according to His will. Our talents should be used to worship and honor God. They will discover that wisdom and blessings come from the Lord. They will also learn to appreciate the many blessings they already have. Our children will learn that they need to keep their lives focused on God. If not, there is a risk of other things creeping in and becoming more important.

It is important for parents to talk to their children at home about the lessons they are learning in Sunday School. Begin a discussion around the dinner table at some point this week and discuss the key points from the lesson. Because parents are with their children at the most opportune times, they are encouraged to integrate biblical instruction at teachable moments. Make it a point to read Scripture to your children when they are little and help them develop personal daily Bible reading habits once they learn to read for themselves.

## STEWARDSHIP CAMPAIGN 2019

### **GROWING IN GENEROSITY, ROOTED IN FAITH**

This has been an exciting year here at The Village Church. Our understanding of God's Word has deepened as we collectively studied "The Story." This fall, we will continue to grow in our faith and practice as we study prayer in the Christian life.

Along with prayer, we are called to service. Service at The Village Church is manifested in numerous ways. We serve with our time, talents, and treasure. Although committing support through financial resources may be a touchy subject, Christ showed no reservation. Numerous verses throughout the Bible state unequivocally that God owns everything and we need to hold our possessions with an open hand. Other verses tell us that we are stewards of what God has entrusted to us. An owner (God) has rights, but a steward (us) has responsibilities. Society says, "I possess, I own, and I'm in control." The Bible says, "God owns, God's in control, and we are only stewards of what he has entrusted us."

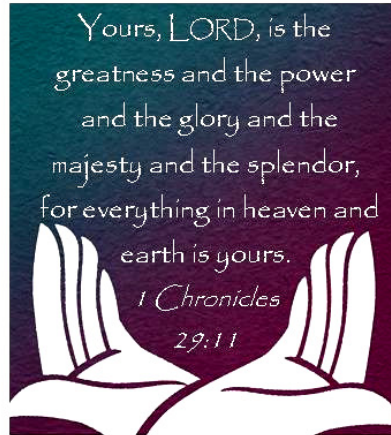

There are several creative ways to financially contribute to our church. These include setting up auto-pay with your bank, making gifts of appreciated assets with favorable tax advantages, naming the church as a beneficiary in your will or trust, donating your IRA required minimum distribution and creating Charitable Remainder Trusts.

Enclosed you will find a pledge form. As faithful stewards, we hope you will prayerfully consider increasing your financial and time commitment to The Village Church for 2019 to help maintain and expand our service in our church, community, and the world at large. Dedication Sunday will be held on Sunday, November 11<sup>th</sup>.

Thank you for your support of our Lord's ministry through The Village Church and for living your faith through your commitment.
